we salute...

The Falcon Contracting Co. was established in 1994 and started its humble activities in general maintenance and sub-contracting works in Civil, MEP and Painting. We sustained the steady growth and expansion during the past years which equipped us to enter into the activities of a full fledged contracting company in the field of construction industry. Falcon Contracting Company with its team of experienced employees and facilities is now fully equipped to undertake turnkey projects approved by government bodies.

It is also a moment of pleasure to notify that Falcon Contracting Co. is a member of M/s Johnbros group of companies. Johnbros General Trading L.L.C, Dubai is another venture of the group.

We take this opportunity to place on record our sincere gratitude to all our clients for their patronage and trust without which we could not exist. We thank all the government bodies and our bankers for their valuable assistance. We admire the dedicated and sincere efforts of our staff and employees who are the backbone of our institution. We thanks all our well wishers who directly or indirectly helped us in our endeavors and we do expect their continuous patronage in the future. Above all we thank Go Almighty for His blessings and guidance.

We dedicate our sincere and quality service always.

Managing Director

Our Mission

Our mission is to provide value-added construction services to our customers by creating a successful partnership with them throughout the construction process. We are always striving for win/win partnerships with customers who share our desire to build.

Our Vision

Building a partnership with our customers is paramount in creating long term relationships; this has always been the vision and the goal of Falcon Contracting Co. Our philosophy has proven that working together with clients as partners, truly does create more than just a business opportunity; it creates a long term professional relationship.

Core Values

Our core values are Integrity, Honesty and Commitment. More over we recognize our primary asset is people. We provide opportunity and encouragement to help our people reach their potential. We work with our clients as a team. Mutual respect provides the foundation for our success.

About us

The Falcon Contracting Co. L.L.C was established in 1994 as professional Engineering firm with its registered office in Dubai, U.A.E. We started our activities in general maintenance and our growth during the past years has been steady and rapid. This achievement was made possible due to our proper planning, professional expertise, quality of service

and our relentless efforts to cope up with international standards.

Besides being one of the leading sub-contractors in Civil, MEP, and painting works, we undertake all types of building maintenance works. We have had the privilege to associate with many reputable firms viz.

- Khansaheb Civil Engineering L.L.C
- Al Nabooda Laing O'Rourke
- Al Nabooda Contracting L.L.C
- Dutco Balfour Beatty. L.L.C
- NASA Multiplex
- SARCO
- Ssangyong
- ASCON
- Al Moosa Contracting
- Al Futtaim Carillion L.L.C
- Desert Group of Companies, etc.

We have established a reputable name in the Emirates for our service and quality work commensurate with international standards through our thorough and extensive local experience in the construction industry.

Falcon contracting co. with its well experienced Engineers and skilled workers involved in many prestigious projects, is now in a position to undertake turnkey projects approved by government bodies.

The company has completed different projects successfully in the past and various projects undertaken by the company are in progress. The details of project undertaken by the company are appended.
